DETAILED REASON FOR ON-STREET PARKING PERMIT:			

The Two Harbors Police Department reserves the right to issue parking permits at their discretion. Applications will be looked at on a case-by-case basis and are not guaranteed to all applicants. Please be complete in your reasoning for a parking permit. If a permit is issued, permit must be kept on driver's side dashboard and visible to the Officer to avoid getting a parking ticket issued. Permits are to be kept in the vehicle they are assigned to and are not transferable to another vehicle. Any violation of this will result in the loss of the permit.
