NOTICE

Summer Sewer Credit FORM- Due by July 1

Properties with metered water where an increase in water use occurs for lawn watering and filling pools during the summer months of June, July, August and September, a sewer credit may be utilized. The credit shall be based upon a water use average, providing ***an affidavit requesting*** the sewer credit form is filled out at the City Hall.

This ***affidavit must be filed*** with the City no later than J**uly 1.** The reduction granted under the provisions of this resolution shall be calculated, using the average water consumption for the nine preceding months ending May 31as the water consumption upon which the reduced sewer charge is based. A one-year history for the current occupant on the account is required for the sewer credit. If eligible, any credit for June, July and August would be applied the October 1st billing cycle.
